

Easily create amazing online auctions that keep bidders coming back

- Create first-class auction pages with customizable features.
- Choose between two popular auction styles.
- Set minimum bids and increments for each of your auction items.
- Your bidders can easily bid online or through their mobile phones.
- Encourage higher bids with an innovative outbid alert system.

Easily create & run auctions

- Run English (traditional) or Proxy (eBay-style) auctions.
- Upload items, create alerts and monitor bidding.
- Winning bidders are automatically charged.

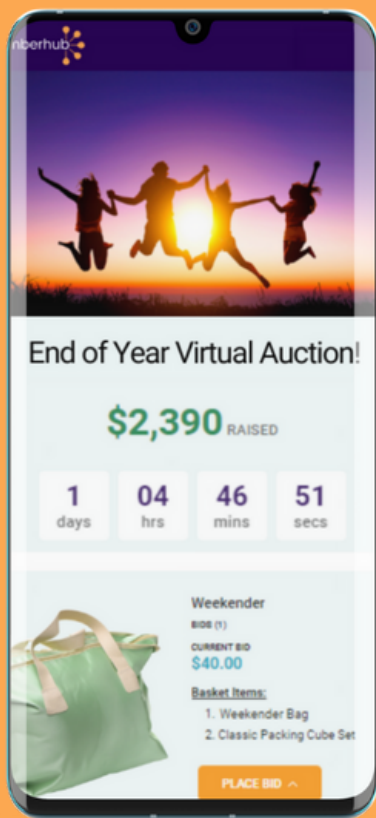

Easy payments & great rewards

- Make it all virtual with live streaming, mobile giving, text-to-give and social sharing.
- Create multiple quantities per item and item groups.
- Choose a prize from [our partner](#), or use your own.

"It was so awesome to run our event through MemberHub. We got great feedback on how much better of a user experience there was over last year when we did the fundraising through a [different] company."
